

"Gardening 101"

Excited to grow your own Garden this year? Join us for tips and fellow gardener support!

Our very own Master Gardeners, Janell Blacketer and Grace Ann Byrd, will be here answer your questions and share their expertise.

From 10 - Noon, volunteer in the garden, then enjoy a complementary lunch. From 1-3, we'll learn about soil preparation, planning, planting, and more!

Come dressed for the weather and working outside. There is no cost to attend.

***Please contact Caitlin Krenn,
