GENERAL COUNCIL MEETING POSTPONED

Many of you have heard about the petitions challenging the Tribe's 2022 General Election results. Both the Treasurer and Vice Chair positions are at issue in the pending challenges. The earliest date that the election challenges could be resolved is June 9, 2022, and possibly later if the petition filers choose to litigate the matter in Tribal Court. Because of the uncertainty arising from these challenges, and the current inability to swear in any of the candidates from the recent election, the General Council meeting previously set for Saturday, June 4, 2022 has been postponed.
