1. PROPOSAL TERMS

A. The Nisqually Tribe reserves the right to reject any and all proposals received as a result of this RFP. If a proposal is selected, it will be the most advantageous regarding price, quality of service, the Vendor’s qualifications and capabilities to provide the specified service(s), and other factors in accordance with the Tribal Bidding Procedure policy. The Tribe does not intend to award a Bid fully on the basis of any response made to the proposal; the Tribe reserves the right to consider proposals for modifications at any time before a Bid would be awarded, and negotiations would be undertaken with the provider whose proposal is deemed to best meet the Tribe’s specifications and needs.

B. The Tribe reserves the right to reject any or all bids, to waive or not waive informalities or irregularities in bids or bidding procedures, and to accept or further negotiate cost, terms, or conditions of any bid determined by the Tribes to be in the best interests of the Tribe even through not the lowest bid.

C. The price quotations stated in the bidders proposal will not be subject to any price increase from the date on which the proposal is opened at the Tribal headquarters to the mutually agreed-to date Bid.

D. In the event it becomes necessary to revise any part of the RFP, addenda will be provided. Deadlines for submission of the RFP maybe adjusted to allow for revisions.

E. Proposals should be prepared simply and economically providing a straight-forward, concise description of the vendor’s ability to meet the requirements of the RFP.

2. SCOPE OF SERVICES

The Nisqually Public Works Department is requesting a contract for hazardous tree removal from Nisqually Reservation. There are 16 trees identified, that need removal, located in residential areas. Project Requirements:
1. Take down identified trees with minimal impact to fall areas. These trees will be marked with blue paint by Nisqually staff. (estimate 16-21 trees)

2. Stumps are to be flush cut to site grade.

3. Limbs to be chipped and fallen trees are to be cut into mill lengths (20ft maximum.)

4. In some cases the trees will remain for firewood, these trees will be identified on the tree list.

5. Remove trees and limb chippings from property and deliver trees to Nisqually Mill located at Leschi Cemetery. Chippings to be hauled to specified area.

6. Climb cutting may be required due to location(s) of trees.

The majority of trees are located in residential areas and minimal impact to lawns and residential property is essential.

Site visit is required for inspection to ensure accuracy of the bid proposal. Please contact Tom Arnbrister, Public Works Manager or Curtis Stanley, Tribal Planner, to schedule a walkthrough.

Please itemize costs on Bid.

**CONTRACT PROVISIONS**

**REPORTING OF CONTRACTOR**

Section 1 – The Contractor is to report to the Public Works Manager and/or Tribal Planner and confer with them as necessary to insure satisfactory work progress.
