

Happy Season of Thanksgiving
From Your Nisqually Dental Clinic Squad

We here at the Dental Clinic are VERY thankful for our elders and we miss seeing you in our clinic. We have made a personalized dental care gift bag for each of our tribal elders living on the Nisqually Tribal reservation. Someone from dental will be delivering them in the next couple of weeks before Thanksgiving. When delivering the gift bags, we will be practicing social distancing and doing porch delivery. If you have any specific dental needs, please call us at 360-413-2716. We are open Monday through Friday, 8am to 4:30pm.
