

Goals of Operation Program

We would like to maintain high quality maintenance and security programs equipped to preserve, protect, secure equipment/facility, and document accountability. This is in conjunction with providing staff with awareness and confidence in the event of emergencies.

Security Team:

Improve interaction with guests, teamwork and participate in activities

~ T. Celix, Security Officer

Support outreach to keep kids coming back

~ M. Sanchez, Security Officer

Maintenance Team:

Keep the Youth Center looking as good as the day it opened, obtain some training for the crew and complete computer class offered by Tribe ~ R. Kautz, Facilities Manager

Fax: (360) 455-5440

Program coordinates requests for facility use, priority being the youth program as well as departmental events such as community dinners, public hearings, business or program meetings and employee training.

Maintenance and security teams seek to maintain high quality programs implementing work schedule adjustments where necessary to support youth program activities and community events.

~Maintain equipment, interior/ exterior facility, and landscaping.

~Adhere to preventative maintenance of equipment and facility (ie. HVAC, Septic, Kitchen, Fire safety, gym floor , exercise, and elevator)

~Schedule inspections for facility, equipment, and vehicles.

~Secure and protect assets of the facility including co-workers, guests, tools, and resources of the program.
