Change to Health Department Phones

Starting today, April 30th, 2021 when you call the Health Department, you will notice a change in the way your call is routed. We are testing an auto attendant feature that is designed to get you to your destination more quickly and efficiently.

When you call (360) 459-5312 you will now hear these options:

- For office hours, address, and fax numbers please **press 1**
- For the Business Office or for a PO#, please **press 2**
- For the Behavioral Health please **press 3**
- For the Dental Clinic, please **press 4**
- For the Medical Clinic, please **press 5**
- For the Pharmacy, please **press 7**
- For directions to the facility, please **press 6**
- To leave a general message, please **press 9**
- To listen to this message again please **press 8**

We hope this change will improve your phone call experience with us. Thank you for your patience as we transition to this new feature.
