# MEDICINE CREEK TREATY TRIBES TO MARCH AND RALLY FOR STANDING ROCK

**WHEN:** SATURDAY, NOV. 12

**TIME:** 12-3 P.M.

• 12-12:45 P.M. – MARCH FROM 21ST ST. & PACIFIC AVE. TACOMA, WA

• 12:45-3 P.M. – RALLY AT TOLLEFSON PLAZA

In response to Standing Rock's call for solidarity, Medicine Creek Treaty Tribes of Washington State are asking for all of you to come together to Stand with Standing Rock. In uniting with our relatives we would also like to bring awareness to the environmental issues affecting the Medicine Creek Treaty Tribes. Here in Washington State we too are fighting pipelines, oil terminals, fracking, and other fossil fuel industries. It is time that we come together for environmental justice. The pipeline opposition is not just about Standing Rock; it is about all of us. Their fight for clean water is our fight for clean water.
