

NISQUALLY INDIAN TRIBE:

A TRADITION OF HELPING OTHERS IN TIMES OF NEED

The Nisqually Indian Tribe continues the Native American tradition of sharing with and contributing to the local community through the Nisqually Indian Tribe Charitable and Local Government Program. In 2011, the Nisqually Tribal Council donated \$1.5 million to the community – partnering with charitable organizations and local government to keep people safe, help children succeed, improve community health, honor veterans, preserve culture, protect the environment and support dozens of other critical services and programs.
