

Nisqually Health Department

# COVID-19 VACCINES NOW Given In-Clinic!

**PLEASE CALL  
360-459-5312  
for a vaccine  
appointment**

## WHAT YOU NEED TO KNOW

Get your COVID vaccines. The ages eligible for vaccine are changing and the number of doses recommended are changing. But your access to vaccine won't change. By keeping yourself and your family fully vaccinated you are dramatically reducing the risk of landing in the hospital or worse.

Large vaccine events will continue to be held in the Billy Frank Jr. Gym and will be announced as they are planned.

**FOR MORE INFO:**

**Call the clinic at  
(360) 459-5312**

**LET'S PROTECT THE COMMUNITY FROM COVID-19**
