

# NISQUALLY INDIAN TRIBE:

## MAKING A DIFFERENCE FOR ALL OUR NEIGHBORS

In 2012, the Nisqually Indian Tribe Charitable and Local Government Program donated \$2.5 million to charitable and local government partners to keep people safe, help children succeed, improve community health, honor veterans, preserve culture, protect the environment and support dozens of other critical services and programs. These programs benefit tribal and non-tribal members, alike. Through strong partnerships with the community, the Nisqually Tribe is laying the foundation for generations to come and improving the quality of life for all of our neighbors.
