**Medication Delivery is available** for residences in close proximity. We are offering **Mail Service** for anyone who cannot arrange pickup for meds and we can also **bring medications out to your vehicles**.

Please call the **MAIN PHARMACY NUMBER at 360-491-9770** and speak directly to Pharmacy staff to arrange delivery, pickup, or mail out service.

*In the event of COVID-19 Pharmacy Closure* and you are in need of medication, please follow the Emergency Pharmacy Services Plan for CHS Eligible Patients. Your Pharmacist Providers will still be working from home and On-call to help meet your needs.
