

## STAY HOME STAY SAFE

In support of the current Nisqually Tribe **Resolution 28-2020 STAY AT HOME ORDER due to COVID19**, the Nisqually Health Department is implementing telemedicine video conference calls and/or telephone calls with your Nisqually Health Department primary care providers to help maintain healthcare services.

Established Patients are encouraged to **call 360.459.5312 for a video conference or telephone call** with your medical provider **No Walk-ins, please call to assess if you need a telephone/telemedicine appt. or in person appt.**

**MONDAY – FRIDAY 8:00AM to 5:00PM**

**until further notice we've Added**

**\*\*Saturday and Sunday hours 10am-3pm\*\***

**NOTE: NO NEW PATIENTS AT THIS TIME**

We encourage you to stay home as much as possible. It is important that you are home safe, avoiding activities that can cause injury or risk visits to urgent care or emergency rooms - we need to do our part to conserve hospital space as much as possible.

**Please call the clinic at 360.459.5312** to schedule a telemedicine appointment or a visit. **Note: COVID 19** status changes daily, keep an eye out for future updates.
