

NISQUALLY INDIAN TRIBE:

SHARING WITH AND CONTRIBUTING TO THE LOCAL COMMUNITY

The Nisqually Indian Tribe continues the tradition of strong partnerships with the community, laying the foundation for generations to come and improving the quality of life for all of our neighbors. In 2013, the Nisqually Indian Tribe Charitable and Local Government Program donated to charitable and local government partners to keep people safe, help children succeed, improve community health, honor veterans, preserve culture, protect the environment and support dozens of other critical services and programs. These programs benefit tribal and non-tribal members, alike.

Congratulations to the 2013 grant recipients:
