

Culture Education & Outreach Program

RE-ORGANIZED & NEW LOCATION!!!

Amanda Rae

Culture Education & Outreach Coordinator

11602 25th Ave SE
Olympia, WA 98513

The new space is beautiful! We will have an open house soon.

In the mean time, people can schedule a time to come in
to work on whatever they want (sewing, beading, or just to talk).

Appt will be 2-3 hr blocks. You can bring someone or do solo appts.

The space has be decreased so group classes will not be feasible.

My schedule is not steady so please call and we can find a time to meet.

Thank you for your patience during this transition.
