Help Shape Our Community Space at Medicine River Ranch!

New life. Endless possibilities. Help us shape the future of this gathering space. We want this land to reflect our shared values, traditions, and needs for generations to come.

Take a Tour: Call or text us to schedule a personal or family walkthrough of the grounds.

Share Your Ideas: Whether you picture youth culture camps, community barbecues, or traditional storytelling circles, we want to know what you and your family envision.

A Special Invitation to Our Elders: Your wisdom, guidance, and heritage preservation ideas are vital. Please share how we can make this space fully accessible, welcoming, and deeply meaningful for you.

Reach out by phone, text, or stop by for a chat, your voice will help shape this space for generations to come.

Exciting Adventures Await with Pony Pathways!

We are thrilled to highlight our community partnership connecting early childhood learning with hands-on, outdoor experiences. This season, our young learners have a unique opportunity to build confidence, develop social skills, and explore nature through interacting with gentle animals.

Programs like these create a supportive environment where children can grow emotionally and feel a true sense of belonging in their wider community. It is a wonderful way to extend the classroom out into the fresh air and real-world interactions.

If your Head Start child is interested in coming to the ranch from school for Pony Pathways, contact your teacher. Spaces are limited, so reach out today to learn more about schedules and participation details!

Find Your Space at the Ranch

Life can get incredibly busy, and finding a quiet moment to unplug, breathe fresh air, and reconnect with nature isn't always easy. We want our ranch to be a peaceful sanctuary for our local community—a place where you can step away from the daily grind and just be.

Whether you are looking for a quiet afternoon of solo reflection, a peaceful walk, or a meaningful day outdoors with your family, friends, or coworkers, our gates are open to you.

If you or a group want to come to the ranch for some personal time please call or text and we can get you set up.

We look forward to welcoming you out here soon!
