WATER SERVICE SHUT-OFF NOTICE

Community Emergency Update

The community east of Muck Creek Drive SE, from Muck Creek to Kalama Creek, is currently experiencing a water service outage.

The estimated minimum outage time is two hours. However, there is no guaranteed timeframe for when water service will be restored. We will provide updates as additional information becomes available.

Casino Closure:
The Casino is also without water and is temporarily closed until further notice.

Facilities Remaining Open

The following facilities continue to have water and will remain open:

- Health Clinic: Open for scheduled appointments.
- Elders Building: Remains open and used for bathrooms
- FAT Building: Remains open and available for restroom access.
- Youth Center: Will remain open and available to Tribal members as needed.

Transportation and Security Support

Transportation and Security will remain on standby to assist Elders and community members who need transportation to facilities with working water and restroom access.
